Beginning at the intersection of the San Juan River and the Navajo Nation eastern Boundary, then northerly 7.2 miles, then easterly to the Southern Ute Reservation southern boundary, then easterly 11.4 miles to a unnamed local road, then southerly to county road 6500, then southerly to Hwy 64, then westerly to county road 6100, then southeasterly to county road 6675, then westerly to the San Juan River, then westerly to the point of beginning.

Precinct 14 **1,324**

Beginning at the intersection of Baker Arroyo and the power line, then easterly to the Navajo Nation eastern boundary, then southwesterly to Coal Mine Creek, then southwesterly to the Navajo Nation eastern boundary, then southerly to the San Juan River, then northwesterly to unnamed arroyo, then northerly to US Highway 64, then westerly to unnamed road east of Valentine Loop, then northerly to Hogback Canal, then northwesterly to unnamed road east of where Hogback Canal and Baker Arroyo meet, then northerly to Baker Arroyo, then northeasterly to the point of beginning.

Precinct 15 **988**

Beginning where the Chuska Mountain Ridgeline and an unnamed wash southwest of To-Nil-Choni Wash, then northeasterly to an unknown ridgeline, then southeasterly to To-Nil-Choni Wash, then northeasterly to the APS power line, then southwesterly 2.6 miles to an unnamed road, then southeasterly to Indian Service Route 19, then southwesterly 1.9 miles to an unnamed local road, then southeasterly .6 miles to an unnamed local road, then southerly 1.6 miles to an unnamed local road, then southeasterly .6 miles to Indian Service Route 5004, then northeasterly along Indian Service Route 5004 2.2 miles to an unnamed local road, then northeasterly .25 miles to an unnamed local road, then southeasterly 1.3 miles to Indian Service Route 19B, then southwesterly to unknown transport, then southeasterly .8 miles to an unnamed local road, then southwesterly .75 miles to an unnamed local road, then southeasterly .5 miles to an unnamed local road, then southwesterly 1.75 miles to Indian Service Route 5002, then southerly .5 miles to an unnamed wash, then westerly along the northern tributaries of said unnamed wash to Indian Service Route 5000, then southerly .3 miles to an unnamed local road, then southerly .75 miles to Indian Service Route 5000, then southerly 4.3 miles to State Hwy 134, then southeasterly to Indian Service Route 8093, then westerly to State Hwy 134, then westerly to the Chuska Mountain Ridgeline, then northerly to the point of beginning.

Precinct 16**814**

Beginning at the intersection of U.S. Highway 491 and Indian Service Route 5007, then northeasterly to Sheep Springs Wash, then northeasterly to Chaco River, then southeasterly for 3.7 miles to unnamed road, then southwesterly for .3 miles to Indian Service 5007, then southwesterly for 1.25 to unnamed road, then southwesterly .9 miles to Indian Service Route 5007, then southwesterly to unnamed wash northwest of the intersection of Indian Service Route 9651 and Indian Service Route 5007, then southwesterly for 3.5 miles to unnamed road, then westerly for .6 mile to unnamed road, then southwesterly for .5 mile to unnamed road, then southwesterly 1 mile to a unnamed local road, then northwesterly for .3 miles to unnamed road, then southwesterly for .1 miles to unnamed road, then northwesterly for .08 miles to unnamed wash, then southwesterly for .8 miles to unnamed road, then southwesterly for .15 miles to unnamed road, then easterly to State Highway 134, then westerly to Indian Service Route 5000, then northwesterly to Tunsta Wash, then northeasterly to U.S. Highway 491, then northerly to the point of beginning.

Precinct 17 - Number Unused**Precinct 18****2,887**

Beginning at the intersection of County Road 6500 and an unnamed road north of County Road 6480, then northeasterly to power line, then easterly to power line, then southeasterly to Main, then continuing northwesterly on US Highway 64 to County Road 6500, then northerly to the point of beginning.

Precinct 19**983**

Beginning where Coolidge Arroyo and US Highway 64 meet, then southeasterly to where US Highway 64 and Main merge, then northeasterly on Main to power line southwest of Locke Arroyo, then southeasterly to the San Juan River, then easterly to unknown tributary south of Coolidge Arroyo, then easterly to Coolidge Arroyo, then northeasterly to the point of beginning.

Precinct 20**1,320**

Beginning at the intersection of Pinon Hills Boulevard and Dustin Avenue, then easterly to Butler Avenue, then southerly to 38th Street, then westerly to Dustin Avenue, then northerly to the point of beginning.

Precinct 21**1,005**

Beginning at the intersection of 20th Street and Butler Avenue, then easterly to Santiago Avenue, then southerly to Ute Street, then westerly to Butler Avenue, then northerly to the point of beginning.

Precinct 22**992**

Beginning at the intersection of Cochiti Avenue and 26th Street, then northeasterly on 26th to 27th Street, then easterly to Sullivan Avenue, then southerly to 20th street, then westerly to Cochiti Avenue, then northerly to the point of beginning.

Precinct 23**2,235**

Beginning at the intersection of Sunset Avenue and 38th Street, then easterly on 38th Street to North Butler Avenue, then southerly to 20th Street, then westerly to Sunset Avenue, then northerly to the point of beginning.

Precinct 24**1,395**

Beginning at the intersection of 20th Street and Butler Avenue, then northeasterly on Butler Avenue to unnamed wash south of Sunrise Parkway, then southerly along unnamed wash to intersection with Sullivan Avenue, continuing southerly on Sullivan Avenue to 27th Street, then westerly to East 26th Street, then southwesterly to Cochiti Avenue, then southerly to 20th Street, then westerly to the point of beginning.

Precinct 25**1,230**

Beginning at the intersection of Pinon Hills Boulevard and 30th Street, then northeasterly to Dustin Avenue, then southwesterly to 38th Street, then westerly to Sunset Avenue, then southwesterly to 30th Street, then westerly to the point of beginning.

Precinct 26**1,069**

Beginning at the intersection of 20th Street and Santiago Avenue, then easterly to Schofield Lane, then southerly to East Navajo Street, then westerly to Fairgrounds Road, then northerly to Laguna Avenue, then westerly to Santiago Avenue, then northerly to the point of beginning.

Precinct 27**1,235**

Beginning at the intersection of Glade Road and 30th Street, then easterly to Sunset Avenue, then southerly to 20th Street, then westerly to Municipal Drive, then southwesterly to Glade Road, then northwesterly to the point of beginning.

Precinct 28**1,028**

Beginning at the intersection of Municipal Drive and 20th Street, then easterly to Dustin Avenue, then southerly to Ute Street, then westerly to Gladeview Drive, then southerly to Navajo Street, then westerly to Municipal Drive, then northerly to the point of beginning.

Precinct 29**1,053**

Beginning at the intersection of Municipal Drive and Navajo Street, then easterly to Gladeview Drive, then northerly to Ute Street, then easterly to Orchard Drive, then southerly to Apache Street, then westerly to Airport Drive continuing on Municipal Drive to the point of beginning.

Precinct 30**1,895**

Beginning where the eastern border of the Ute Mountain Reservation and Colorado - New Mexico State line (NCL) meet, then easterly to County Road 1980, then southwesterly to where County Road 1980 and Glade Road merge, then southwesterly to Pinion Hills Boulevard, then southwesterly to State Highway 170, then northeasterly to power line, then westerly to unnamed road north of County Road 6500, then northeasterly on unnamed local road to the southern boundary of the Ute Mountain Reservation, then easterly the eastern boundary of the Ute Mountain Reservation, then northerly to the point of beginning.

Precinct 31 **3,440**

Beginning at the intersection of Main and Airport Drive, then westerly to the power line west of Locke Arroyo, then northwesterly 1.9 miles to a power line, then easterly to Hwy 170, then southerly to Pinion Hills Blvd., then easterly to 30th Street, then easterly to Glade Road, then southerly to Municipal Drive, then southerly to Airport Drive, then southerly to the point of Beginning.

Precincts 32 - 39 - Numbers Unused

Precinct 40 **1,482**

Beginning at the intersection of Hutton Drive and 30th Street, then northeasterly to Main Street, then southwesterly to 20th Street, then westerly to Hutton Drive, then northerly to the point of beginning.

Precinct 41 **2,020**

Beginning at the intersection of Foothills Drive and Hood Mesa, then easterly .7 miles to an unnamed local road, then northerly .3 miles to an unnamed local road, then westerly .18 miles to an unnamed local road, then northeasterly .6 miles to an unnamed wash, then southeasterly to the northern shore of Farmington Lake, then southerly along Farmington Lake's eastern shore to Farmer's Ditch, then easterly to the Farmington Lake Access Road, then southwesterly to Hwy 516 (Main Street), then southwesterly to Pinion Hills Blvd., then northwesterly to Foothills Drive, then Northerly to the point of beginning.

Precinct 42 **1,205**

Beginning at the intersection of Pinion Hills Boulevard and Glade Road (County Road 1980), then northeasterly for 6.2 miles to unnamed road, then southeasterly 2.3 miles to an unnamed local road, then southerly to Hood Mesa Drive, then westerly to Foothills Drive, then southerly to Pinion Hills Blvd., then westerly to the point of beginning.

Precinct 43 **1,672**

Beginning at the intersection of Butler Avenue and Pinon Hills Boulevard, then northeasterly to College Boulevard, then southerly to 30th Street, then southwesterly to Hutton Avenue, then southeasterly to 20th Street, then westerly to Sullivan Avenue, then northerly continuing on Sullivan Avenue to intersection with unnamed arroyo, then northerly on unnamed arroyo to Butler Avenue, then northeasterly to the point of beginning.

Precinct 44 **2,158**

Beginning at the intersection of Browning Parkway and Main Street, then northeasterly to Wyper Arroyo, then southeasterly to Animas River, then southwesterly to Browning Parkway, then northwesterly to the point of beginning.

Precinct 45 **2,089**

Beginning at the intersection of Schofield Lane and 20th Street, then easterly to Main Street, then southwesterly to Schofield Lane, then northerly to the point of beginning.

Precinct 46**1,098**

Beginning at the intersection of Hwy 516 and Farmington Lake Access Road, then northerly to the Farmers Ditch, then westerly to Farmington Lake, then northerly to an unnamed arroyo beginning at the northern tip of Farmington Lake, then northerly to a unnamed local road, then southwesterly and then northwesterly to county road 1980, then northeasterly to County Road 1500, then southeasterly on County Road 1500 which becomes County Road 3536 and continuing to County Road 3535, then southerly to County Road 3450, then southeasterly to US Highway 516, then southwesterly to County Road 3500, then southerly to Animas River, then southwesterly to Wyper Arroyo, then northwesterly to Hwy 516, then northeasterly to the point of the beginning.

Precinct 47**1,948**

Beginning at the intersection of County Road 1980 and County Road 1500, then northeasterly to Hwy 574, then southeasterly to unnamed road adjacent to Hedges Arroyo, then southerly on unnamed road to Hedges Arroyo, then southerly on Hedges Arroyo to Barton Arroyo, then southerly to Hwy 516, then northeasterly to Kochis Arroyo, then southerly to Animas River, then southwesterly to County Road 3500, then northerly to US Highway 516, then northeasterly to County Road 3450, then northwesterly to County Road 3535, then northwesterly to County Road 3536, then northwesterly to the point of beginning.

Precinct 48 - Number Unused**Precinct 49****1,507**

Beginning at the intersection of Pinion Hills Blvd. and College Drive, then easterly to Main Street (Hwy 516), then southwesterly to 30th Street, then westerly to College Drive, then northerly to the point of beginning.

Precinct 50 - Number Unused**Precinct 51****1,419**

Beginning at the intersection of Dustin Ave. and 20th Street, then easterly to Butler Ave., then southerly to Apache Street, then westerly to Orchard Ave., then northerly to Ute Ave., then easterly to Dustin Ave., then northerly to the point of beginning.

Precinct 52**1,031**

Beginning at the intersect of Airport Drive and Apache Street, then easterly to Butler Ave., then southerly to Main Street, then westerly to Airport Drive, then northerly to the point of beginning.

Precinct 53**1,075**

Beginning at the intersection of Butler Ave. and Willow Street, then easterly to Tamarack Street, then easterly to Graham Road, then northerly to Sycamore Street, then easterly to Carlton Ave., then northerly to Murray Drive, then easterly to Bolacks Road, then southerly to the San Juan River, then westerly to Butler Ave., then northerly to the point of beginning.

Precinct 54**1,348**

Beginning at the intersection of Ute Street and Butler Ave., then easterly to Santiago Ave., then northerly to Laguna Ave., then easterly to Carlton Ave., then Easterly to Vine Ave., then easterly to Fairgrounds Ave., then southerly to Navajo Street, then easterly to Sullivan Ave., then southerly to Navajo Street, then easterly to Schofield Lane, then southerly to Main

Street, then northeasterly to Browning Parkway, then southerly to the Animas River, then westerly to Miller Ave., then northerly to Main Street, then easterly to Butler Ave., then northerly to the point of beginning.

Precinct 55 **2,029**

Beginning at the intersection of Miller Ave. and the Animas River, then easterly to Browning Parkway, then southerly to Bloomfield Hwy, then westerly to Murray Drive, then westerly to Miller Ave., then northerly to the point of beginning.

Precinct 56 **2,713**

Beginning at the intersection of Browning Parkway and Southside River Road (county road 3000), then northeasterly to county road 3950, then northeasterly to county road 3940 then westerly along 3940 continuing as a unnamed local road and becoming county road 5573 to county road 5572, then southerly to county road 55690, then southerly to county road 5569, then southerly to Bloomfield Hwy (Hwy 64), then easterly to county road 5500, then southerly to the San Juan River, then westerly to Bolacks Road, then northerly to Bloomfield Hwy (Hwy 64), then easterly to Browning Parkway, then northerly to the point of beginning.

Precinct 57 **2,321**

Beginning at the intersection of Hwy 371 and the San Juan River, then easterly to the Animas River, then northeasterly to Miller Ave., then southerly to Murray Drive, then easterly to Carlton Ave., then southerly to Sycamore Street, then westerly to Graham Road, then southerly to Tamarack Road, then westerly to Willow Street, then westerly to Butler Ave., then southerly to the San Juan River, then easterly to the Stewart Canyon drainage, then southerly to Stewart Canyon, then southerly to a unnamed local road, then westerly to the Navajo Reservation Boundary, then easterly 6.2 miles to a unnamed local road, then southwesterly to county road 7010, then westerly to Hwy 371, then northerly to the point of beginning.

Precinct 58 **1,902**

Beginning at the intersection of a power line and Main Street (Hwy 64), then easterly to Miller Ave., then southerly to the San Juan River, then westerly to a power line, then northerly to the point of beginning.

Precinct 59 **1,149**

Beginning at the intersection of the San Juan River and Browning Parkway, then easterly to county road 3500, then southerly to county road 350, then southerly to county road 5569, then westerly to county road 5573, then continuing along 5573 becoming a unnamed local road and then turning into county road 3940, then westerly to county road 3950, then westerly to Southside River Road (county road 3000), then southwesterly to Browning Parkway, then northerly to the point of beginning.

Precinct 60 **705**

Beginning at the intersection of county road 1980 and Hwy 574 (North Light Plant Road), then northeasterly 6.76 miles to a local road, then northwesterly to the north county line (NCL), then easterly 2.7 miles to a local road, then southeasterly to county road 2300, then southeasterly to Hwy 550, then southerly to the Animas River, then southerly to the Farmer Arroyo, then northwesterly to the Farmers Ditch, then southwesterly to Estes Arroyo, then

northerly to county road 3095, then southerly to Hwy 574 (North Light Plant Road), then northerly to the point of beginning.

Precinct 61 **1,433**

Beginning at the intersection of Arch Rock Canyon Arroyo and the Animas River, then easterly to County Road 2575, then southerly to the pipeline, then southerly to NM 173, then easterly to Aztec Blvd., then northerly to County Road 2965, then northwesterly to the intersection of County Road 2965 and the Lower Animas Ditch, then northwesterly to the Knowlton Canyon Arroyo, then westerly to the Animas River, then Northerly along the Animas River to the point of beginning.

Precinct 62 **1,298**

Beginning at the intersection of West Chaco Street and the Animas River, then easterly to Mesa Verde Ave., then Northerly to Blanco Street, then Easterly along Blanco Street to a unnamed local oilfield road then southeasterly along said unnamed oilfield road to and then along an oilfield road running southwesterly which then curves to the southeast to intersect with County Road 2595, then Southwesterly along said County Road to an unnamed Local Road, and then Southerly to the intersection of the local road with Main Street (NM 550), then Northerly on Main Street to Rio Grande Avenue, then Southwesterly to County Road 3009, then Northwesterly to the Animas River, then Northeasterly to the point of beginning.

Precinct 63 **1,518**

Beginning at the intersection of Farmers Ditch and Estes Arroyo, then Easterly along the Farmers Ditch to the Farmer Arroyo, then easterly to the Animas River, then Southwesterly to a local drainage west of Riverside Park, then easterly to Light Plant Road, then Northerly to the intersection of the North trailer park access road, then southerly to a local road intersecting Estes Arroyo, then northerly along Estes Arroyo to the point of beginning.

Precinct 64 **950**

Beginning at the intersection of Aztec Blvd. and Hwy 173, then easterly to a local road just before the intersection of Hwy 173 and Hwy 575, then southwesterly to Hwy 550, then northerly to a unnamed local road turning to the east, then northerly to County Road 2595, then westerly to an unnamed local oilfield road, then continuing along the unnamed local oilfield road running northwesterly and then curving to the northeast to a unnamed local oilfield road, then northerly to Blanco Ave., then westerly to Rio Grande, then northerly to Aztec Blvd., then northerly to the point of beginning.

Precinct 65 **987**

Beginning at the intersection of Arch Rock Canyon Wash and the Animas River, then northerly to Hwy 550, then northerly to county road 2300, then northerly to a local road, then northerly to the North County Line (NCL), then easterly to Hwy 511, then southerly to county road 4600, then southerly to Hwy 173, then westerly to a pipeline, then northerly to county road 2575, then northerly to county road 2575, then northerly to Arch Rock Canyon Wash, then westerly to the point of beginning.

Precinct 66 **1,133**

Beginning at the intersection of the Knowlton Canyon Arroyo and the Animas River, then easterly to the Lower Animas Ditch, then southerly to the intersection of the Lower Animas Ditch and County Road 2965, then southerly along County Road 2965 to Aztec Blvd, then

southerly to Rio Grande Blvd, then southerly to Blanco Blvd, then easterly to Mesa Verde Avenue, then Southerly to Chaco Street, then Easterly to the Animas River, then Northerly to the point of beginning.

Precinct 67 **2,605**

Beginning at the intersection of NM 574 and an unnamed local road to the east of Hedges Arroyo, then easterly to County Road 3095, then easterly to Estes Arroyo, then southeasterly to an unnamed local road within a trailer park, then northwesterly to Light Plant Road, then southerly to a local drainage west of Riverside Park, then westerly to the Animas River, then westerly to Kochis Arroyo, then northerly to Hwy 516, then westerly to Barton Arroyo, then northerly to Hedges Arroyo, then northerly to where Hedges Arroyo intersects a unnamed local road, then northerly to the point of beginning.

Precinct 68 **1,385**

Beginning at the intersection of County Road 350 and 3145, then easterly to County Road 3100, then northerly to County Road 3114, then southeasterly to a unnamed local road which becomes County Road 3119, then northeasterly to Hwy 550, then southerly 2.12 miles to an unnamed local oilfield road, then westerly 2.55 miles to an unnamed local oilfield road, then southeasterly 1.24 miles to a unnamed local oilfield road, then southerly to county road 5030, then westerly to county road 350, then northerly to the point of beginning.

Precinct 69 **1,711**

Beginning at the intersection of County Road 3500 and the Animas River, then northeasterly to a driveway at #71 CR 3009, then easterly to County Road 3009, then southeasterly to County Road 3000, then northeasterly to Hwy 550 (Main Street), then southerly to County Road 3119 (Falcon Bluff), then southwesteryly to County Road 3100, then southwesteryly to county road 3145, then westerly to county road 350, then northerly to county road 3500, then northerly to the point of beginning.

Precinct 70 **3,923**

Beginning at the intersection of county road 5572 and county road 5573, then easterly to county road 5030, then continuing easterly to county road 5075, then southerly to county road 5070, which becomes Newby Lane, then southerly to Hwy 64 (Broadway Ave.), then westerly to the first arroyo west of Granny Lane, then southerly to the San Juan River, then westerly to county road 5500, then northerly to Hwy 64, then westerly to county road 5569, then northerly to county road 55690, then northerly to county road 5572, then northerly to the point of beginning.

Precinct 71 **1,747**

Beginning at the intersection of the San Juan River and Kutz Canyon, then easterly to Largo Wash, then southeasterly to the East County Line (ECL), then southerly to BLM 7220, then northwesterly to county road 7575, then continue northwesterly to the El Paso Pipeline, then west to Hwy 550 (old Hwy 44), then northerly to county road 5500, then westerly to Kutz Canyon, then northerly to the point of beginning.

Precinct 72 **1,442**

Beginning at the intersection of Hwy 173 and Hwy 575, then easterly to county road 4600, then northerly to Hwy 511, then northerly to the Colorado - New Mexico State Line (NCL), then easterly to the east county line (ECL), then southerly to Largo Wash, then northwest to

the San Juan River, then westerly to Slane Canyon Wash, then northerly to Hwy 575, then northwesterly to the point of beginning.

Precinct 73 **2,145**

Beginning at the intersection of Blanco Blvd and 1st Street (Hwy 550), then easterly to county road 4899, then southerly to Hwy 64, then easterly to county road 4800 (old US 64), then easterly to the Slane Canyon Wash, then southerly to the San Juan River, then westerly to Bloomfield Blvd. (Hwy 550), then northerly to Broadway Ave. (Hwy 64), then easterly to 1st Street (Hwy 550), then northerly to the point of beginning.

Precinct 74 **2,213**

Beginning at the intersection of county road 5075 and county road 5030, then westerly .23 miles to a unnamed local oilfield road, then northeasterly .62 miles to a unnamed local oilfield road, then northwesterly 1.25 miles to a unnamed local oilfield road, then northeasterly to 1st Street (Hwy 550), then southerly to Broadway Ave. (Hwy 64), then westerly to Frontier Ave., then northerly to Blanco Ave., then westerly to county road 5070, then westerly to county road 5075, then northerly to the point of beginning.

Precinct 75 **1,303**
